

ZAP Teleneo S

Telescopic platform ladder equipped with convenient shelves, and handrails and guardrails that can be folded down to a compact size for transport

Product description

- Large-area work platform (500 x 400 mm)
- Height is adjustable thanks to ergonomic handles installed on both sides
- Can be collapsed to a compact size of 0.75 x 0.42 m (W x D) for transport thanks to foldable double-sided handrails and fold-up guardrail.
- Large tool tray with integrated pail hook
- Additional storage space at knee height for loads of up to 25 kg
- Complies with EN 131-7

Product features

Footpoint, stabiliser rod extended L x W: ×
 Load: max. 150 kg
 Product type: Missing translation
 Width, retracted: 0.67 m
